

OUR RECYCLED CORNER

The recycling of garbage, can be differentiated into six major types of recycling. The recycling of paper and cardboard, recycling of plastics, recycling of glass, recycling of hazardous materials, organic recycling, and recycling of other materials.

INVESTIGATE

Collect information about

- *the garbage we produce at school
- *Bins or containers
- *Responsible for the withdrawal.

SHARE

Explain to your classmates the problems of collection and recycling that you have observed.

Design posters for the recycling corner of the school classes

Make a DECALOGUE about recycling in a group.

Share it with the rest of the school classes

EXHIBITION

Propose that each class create its own recycling center.

Organize a contest with results
