## READING

2.a. Look at the photos. Which materials are they made of?

### RECYCLE AND REUSE

There is an old saying. "A man's junk is another man's treasure." We throw away a lot of things, but we can use them again. It is a great free time activity and you can save money. Here are some ideas.

### PLASTIC BOTTLES

We have got a lot of plastic bottles at home. Small or big, we can make a lot of things with these bottles. For example, you can make a basket with a big bottle or you can make a pencil case, a flower pot or a piggy bank with a small one.

### OLD JEANS

Have you got old jeans in your wardrobe? You can make decorations for your room with them. You can cut out the pockets of your old jeans and make organisers. Then you can put a lot of things in it like pens, scissors, your mobile charger, etc. You can also make a modern bag with a pair of jeans. It's not very easy, but your mother can help you with that.

### OLD GUITARS

Have you got an old or broken guitar? Well, you can't sell it, but you can paint it and make a shelf for your books or toys. And if you don't like the ordinary lamp in your room, you can make an extraordinary lamp with your old guitar. Your father can help you with the electricity.

b. Read the text again. What can you do with...

- plastic bottles?
- old jeans?
- old guitars?

c. Work on your own. Write a list of other items you can do with these materials.

d. Work in pairs. Compare your lists. Has your partner got good ideas?
